

The authors' contribution statement (see below) to be filled up and signed

No. (serially as in the manuscript)	Name of the author (in block letters)	Type of contribution (may note a, b, c d as given in the list below	Signature with date

The type of contribution should be clearly delineated as

- a) Concept, b) Execution, c) Data analysis, d) Manuscript writing,
- e) Editing, f) Others (kindly qualify
here.....)

A single author may have contribution in different areas.

The instruction to author is available and may be downloaded from our website as www.pulmocareindia.org
